

# WELDBRUSH

BY DURALLOY®

## THE NEW WELDBRUSH 700

CODE: WB700

The **WELDBrush 700** is the fastest and most powerful weld cleaner on the market. It has a variable power level and four functions:

1. Cleaning and passivation
2. Marking
3. Electro-polishing
4. Electro-plating

With all the necessary features and more power, the WELDBrush 700 delivers perfect cleaning results, time-saving and even on the toughest welds and surface discoloration.
